About the Austin High School Bulldog Band and Angels Dance Team

As you probably know, High School Band is as important as High School Football in Texas. The AHS Bulldog Band and Angels Dance Team is the largest organization on campus with about 150 members. It is also one of the most visible student groups as they perform at every football game, pep rally and multiple band competitions, and are recognized throughout the Houston area, across Texas, and nationally. Under the leadership of Ryan Demkovich, Andres Aya, Mysha Corb, and Ashlee Williamson, the band continues to excel as they compete and advance as UIL State Finalists in 2014 and 2016 (only available bi-annually), and win various awards at Bands of America, and TMEA competitions.

Fort Bend ISD has generously provided important essentials for band programs, but additional music and marching instruction are needed to hone the students' skills in order to compete at such a high level. Recent budget constraints have caused some support for the program from the District to be cut, causing a shortfall in the budget for the band and a need for supplemental support to be raised. Sponsorship funds help close the gap and provide professional clinicians and new equipment as well as additional educational and performance opportunities for students. Sponsorship funds help cover a wide variety of additional unplanned expense such as instrument repair, uniform upkeep, extra travel and more. Your investment benefits a program proven to give students a higher level of success in academics, behavior, time management and collaboration – all qualities highly valued by employers like you!

The message we bring to you today is that our band program needs the financial support of this community to compete at the highest levels. **AUGUST** is our **SPONSORSHIP DRIVE month**, and we need you to join our team! We are reaching for the stars with a **goal of \$20,000** in Corporate and Business Community Sponsorships. Please review the enclosed levels and the opportunities they provide to partner with the Band and Angels program and promote your business. Thank you sincerely for your consideration. Go Bulldogs!
